

A champion of DJ culture, music, art and dance, Sapphire boasts a Cabaret License (quite literally, a license which allows patrons to dance), a crisp sound system, dance floor, full bar and backroom art gallery. The small nightclub/lounge L.E.S. hideaway perpetuates an energetic party vibe, attracting a cool, quirky, trendy, and occasional celebrity, crowd. Long-running Sapphire events like Funk You 2 (Fridays) and Sapphire Saturdays feature talented DJs spinning an intelligent mix of music – from House and Electro to Rock and Roll, to Hip-Hop, depending on the night. Monthly parties, special events, private parties and rotating art exhibits add to the club's unique, dynamic atmosphere.
